

informative, practical and helpful since 2006

X-DESIGN®

MXP-L & MXP-AL the OLFA's next *flagship model*.

The high-end X-design handle is a combination of the die-cast aluminum and the non-slip elastomer fiber. The tough handle made of massive die-cast aluminum stands out and shows its presence in the crowd.

OLFA to unveil its first handle made of
Die-casting Aluminum
