Dear Mr. Boyd:

Congratulations! The products listed below were tested per the NFSI 101-C Test Method for Measuring Dry Transitional Coefficient of Friction (TCOF) of Floor Mat Backing Materials on April 18, 2020 and passed the standards "High-Traction" requirement with an average TCOF of 0.78. Your NFSI Product Certifications are good through April 18, 2023.

**NFSI Certified Products:**

PIG® Grippy® TRAFFIC MAT® Rug Absorbent Walk-on Surface  
PIG® Grippy® Adhesive-Backed Floor Mat with Custom Logo  
PIG® Safety Message Mat  
PIG® Sign with Non-Slip Surface  
PIG® Grippy® Antimicrobial-Infused Adhesive-Backed Floor Mat  
PIG® High-Visibility Safety Floor Runner

The products, along with promotional literature, brochures, websites, etc. where the product names are listed is granted permission to be labeled as "NFSI Certified". An electronic version of the NFSI Certified logo is attached.

Again, congratulations and thank you for submitting your products to the NFSI.

Sincerely,

Russell J. Kendzior  
President
