

TEKNIKUM®

Grooved rubber mat

APPLICATIONS

Teknikum® Grooved rubber mat is extremely wear-resistant and suitable to use in cold spaces. The profile is great for e.g. corridor flooring, as a protective mat in lifts, aisle-floor cover in buses, as protective surface in luggage compartments in utility vehicles and as corridor-floor cover in ships.

Teknikum® Grooved rubber mats are manufactured from a mixture of natural rubber (NR) and styrene-butadiene rubber (SBR). The mats are available in black and grey color.

The rubber compound is made by Teknikum and awarded by "Made in Finland" Key Flag symbol.

ADVANTAGES

- Extremely durable, wear-resistant surface
- Great as aisle cover
- Endures cold temperatures
- Easy to clean

TECHNICAL PROPERTIES

Previous versions

LUURREM (same item and structure)

Structure

- Mixture of natural rubber and styrene-butadiene rubber

Temperature range

- 40°C... +70°C

ENVIRONMENTAL RESISTANCE

- Weather-resistant
- Endures minus temperatures well

WARRANTY

The warranty period when stored and used under the recommended conditions is 3 years, when stored correctly the product has reached a service life of more than 10 years.

RECYCLING

For decommissioned mats, the correct disposal method is recovery as energy waste, in an appropriate incineration process.

MANUFACTURER

Teknikum Ltd (Business ID FI07645274),
Sementtitehtaankuja 12, FI-04260 Kerava,
FINLAND
