

Declaration of Conformity for plastic materials coming into contact with food

Manufacturer: Craemer GmbH
Brocken Straße 1
33442 Herzebrock-Clarholz

We herewith declare that the following products:

- **Pallets in general (SL, D, CS, H, CR, TC, L)**

intended for the contact with food and labelled with the "glass and fork" symbol, comply with the statutory regulations of the (EU) regulation 10/2011 and the (EU) regulation 1935/2004, each in their latest version.

The products contain no "DUAL USE additives".

If used according to specifications, the overall migration as well as the specific migration levels remain below the legal limit. The test is carried out according to the (EU) regulation 10/2011 (Appendix V).

The Plastics Directive 2002/72/EC was repealed with immediate effect on May 1, 2011. Since May 1, 2011, food contact plastics are subject to Regulation (EU) No. 10/2011 throughout the EU. With regard to the tests performed, the samples comply with the requirements of Regulation (EU) 10/2011 incl. all amendments and/or supplements published at the time of issue.

No restricted substances are used in the above-mentioned products.

Specification for intended use or restrictions

type / types of food that shall come into contact with the material	Cereals and cereal products, sugar confectionery, fruits and vegetables
type / types of food that shall not come into contact with the material	Beverages, fats and oils, animal products, dairy products, miscellaneous products
duration and temperature of handling and storage when in contact with food	tested for 10 days at 20°C, Simulation A, B and D2
ratio of the surfaces coming into contact with food to the volume, on the basis of which the conformity of the material or the object has been determined	18

The product is suitable for multiple use (reusable items).

The mentioned product does not contain any functional plastic barrier.

The user should satisfy himself as to the product's suitability for the intended content beyond the requirements of the directives.
