

Pallet Converter - PALCON2

PRODUCT OVERVIEW

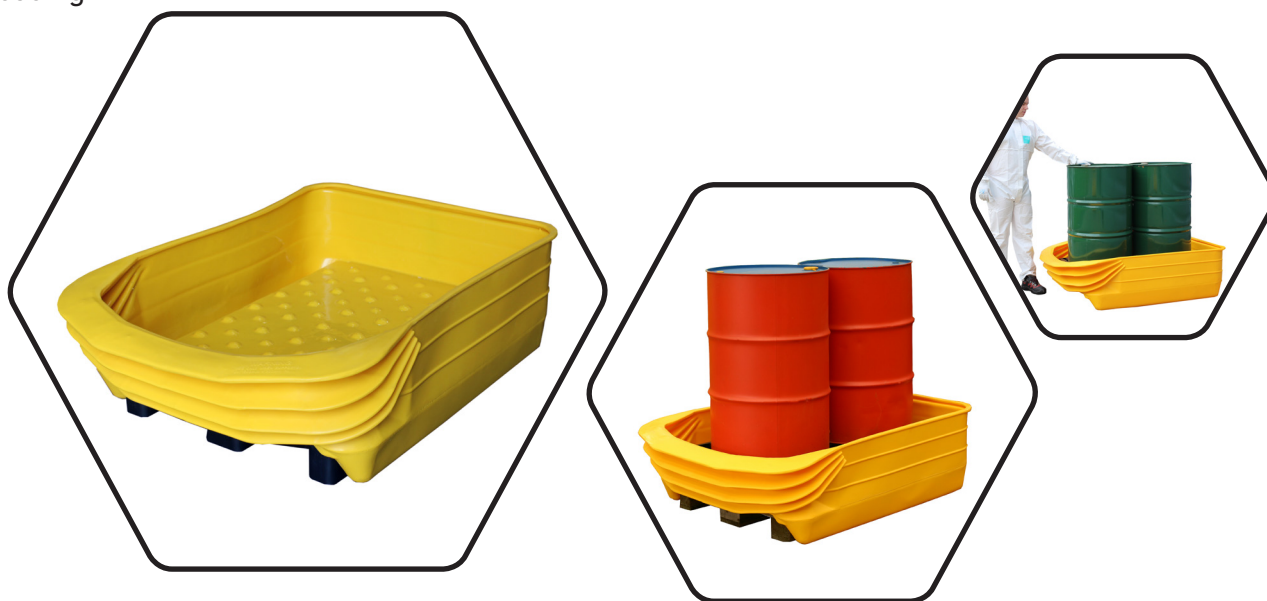

Backed by our 3 year guarantee

Designed to allow you to convert a standard wooden pallet into a fully bunded one the SpilGuard® pallet is quick and simple to use. Manufactured from rotationally moulded polyethylene with a unique compression front that allows pallets to easily be placed inside and withdrawn it is a practical way of making sure your liquids are always fully bunded.

You will require an appropriate size/capacity fork lift truck to offload this item from the delivery vehicle. Our standard delivery doesn't include any of-floading.

 100% sump for chemical compatability

 UV Stabilised
