

Declaration of compliance

4

for articles made from plastic intended to come into contact with food

We hereby confirm that our products:

White jars, buckets and lids; see product specifications

Code numbers: 5517, 5519, 5533, 5534, 5538, 5638, 5542, 5545, 5546, 55172, 5509, 55322, 55382, 56382, 55422

Complies with the legal regulations laid down in the European Plastic Regulation (EU) No 10/2011 as well as in Regulation (EC) No 1935/2004, both as amended.

Description (material): jar/bucket is made of white coloured plastic (PP – Polypropylene); lid is made of white coloured plastic (PP – Polypropylene).

When used as specified, the overall migration do not exceed the legal limits. The testing was performed according to Regulation (EU) No 10/2011 (Annex V).

The materials and raw materials used comply with Plastic Regulation (EU) No 10/2011.

The following substances subject to limitations and/or specification are used in the above mentioned product:

<u>Name of substance</u>	<u>Permissible Limit</u>
Overall Migration (OML)	< 10 mg/dm ²

Specification of the intended use or restrictions:

- Type or types of food or processes for which the material is suitable:
 - o For aqueous food, up to pH 6
 - o For alcoholic foods
 - o For fatty foods
- Test conditions:
 - o Simulant A: Ethanol 10% testing conditions: 10 days at 40°C (first contact).
 - o Simulant B: Acetic acid 3% testing conditions: 10 days at 40°C (first contact).
 - o Simulant D2: Any vegetable oil or substitute test
 - Ethanol 95% testing conditions: 10 days at 40°C (first contact).
 - Isooctane testing conditions: 2 days at 20°C (first contact).
- The compliance testing was done under conditions set out in Regulation (EU) No. 10/2011 using a surface to volume (s/v) contact ration of 6 dm²/kg.

No dual-use-additives were used in the manufacture of these products.

There is no functional barrier used in the plastic material.

Traceability of the product is ensured via the marking of the part in conjunction with the work order.

This declaration is valid for the product delivered by us as specified above. Under consideration of the food contact conditions stated, the product complies with the stipulations of these Directives regarding the specified foods. The user shall verify himself that the product is suitable for the intended food beyond the stipulations of the Directives.

The validity of the declaration is ending, if the requirements are changed.
