

# SOLID, SIMPLE AND SMART: ADVANCED RELIABILITY IN COMPRESSED AIR

## CPRB MZ Professional Piston Compressors

As a serious DIYer, you need a professional piston compressor. Because even if you don't use your compressor all the time, when you do, you expect top performance. And that is exactly what the powerful Chicago Pneumatic CPRB MZ will give you: a long lifetime of powering more tools with absolutely clean, oil-free air.

### Powerful

You get up to 10 bar of pressure, allowing you to use specialized, higher-pressure tools

### Low noise

With sound emissions as low as 60 dB(A), the CPRB MZ makes for a comfortable working environment.

### Reliable

The CPRB MZ comes with an oil-free, direct-driven pump that requires less maintenance to offer you a longer lifetime of dependable performance.

### Flexible configurations

With 1 and 2 HP versions and 6L, 24L and 50L vessel configurations, you are guaranteed to find a CPRB MZ that meets your specific needs.

### Easy to use

The CPRB MZ is a true plug-and-play compressor. Thanks to its handy pressure switch, operating it is a breeze.

### Safe

The compressor is completely enclosed to protect you from its hot and moving parts.

**People. Passion. Performance.**
