

Important Notes

- Quick-Switch® Tool Transfer Stations are suitable only for hand tools weighing 2.72 kg (6 lbs) or less, used on Quick-Switch® tool tether products only.
- This product is intended for use by personnel who are trained and knowledgeable regarding working with hand tools at height and/or near machinery.
- Quick-Switch® Tool Transfer Stations should only be attached to hand rails/railings with manufacturer's intended specifications that would support the impact forces of a drop.
- Only attach to hand rails/railings where the top and mid rail spacing allows for a form fitting installation where hook and loop and retention clips are fully engaged.
- Inspect before each use for damage and proper function:
 1. Check all hardware for abrasion, deformity, cuts and sharp edges.
 2. Check for tears, cuts, fraying, abrasion, discoloration, burns, holes, mold, unsplicing, pulled or broken stitches, or other signs of wear or damage.
 3. Do not use and always quarantine if any of the above apply or if damaged or not functioning correctly.

Safety Information

- ⚠ **WARNING!** Do not use near moving parts, mechanisms, running machinery or rotating equipment.
- ⚠ May contain electrically conductive materials.
- ⚠ Do not alter product in any way from its original state.

Applicable Safety Standards

Meets or exceeds:

- ANSI / ISEA 121-2018

Materials

Nylon, nickel-plated steel, and stainless steel.

Product Weight

1.6 lbs (0.73kg)

Maintenance, Cleaning, and Storage

Clean with a damp cloth and mild soap, wipe off excess and thoroughly dry.

Store this product away from tools and other objects that could cause damage.

Installation

■ **Step 1**
Place the Quick-Switch® Tool Transfer Station over the top of the handrail and temporarily attach the top hook and loop straps on the back.

■ **Step 2**
Connect the two carabiners to the small D-ring as shown below.

■ **Step 3**
Attach the bottom hook and loop straps.

■ **Step 4**
Adjust all hooks and loops as necessary to ensure a secure fit.

Carry Handle
Comes with a carrying handle which allows the Quick-Switch® Tool Transfer Station to convert to a carrying case.
