

## AR20(\*)-B to AR60(\*)-B, Regulator & Regulator w/Backflow Function AR60K-F10E-B

Datasheet

### General series information

### Standard specifications

|                            |                                                               |
|----------------------------|---------------------------------------------------------------|
| Made to Order 1            | None                                                          |
| Body Size                  | 60                                                            |
| Backflow Function          | K (w/Backflow Function)                                       |
| Thread                     | F (G)                                                         |
| Port                       | 10 (1)                                                        |
| Option                     | E (Square embedded type pressure gauge, with limit indicator) |
| Semi-standard              | Standard                                                      |
| Made to Order 2            | None                                                          |
| -                          | Air                                                           |
| Maximum operating pressure | 1.0 MPa                                                       |
| Proof pressure             | 1.5 MPa                                                       |
| Weight                     | 1.218 Kg                                                      |

## Constructions

### Construction

#### AR50(K)-B/AR60(K)-B

#### Component Parts

| No. | Description | Material           | Model                                             | Colour |
|-----|-------------|--------------------|---------------------------------------------------|--------|
| 1   | Body        | Zinc die-cast      | AR10-A                                            | White  |
|     |             | Aluminium die-cast | AR20(K)-B to AR60(K)-B                            |        |
| 2   | Bonnet      | Polyacetal         | AR10-A                                            | White  |
|     |             | Aluminium die-cast | AR20(K)-B to AR40(K)-B<br>AR50(K)-B/<br>AR60(K)-B |        |

#### Replacement Parts

##### [AR10-A]

| No. | Description          | Material   | Part no.    |
|-----|----------------------|------------|-------------|
| 3   | Valve                | HNBR       | AR10P-090S  |
| 4   | Piston assembly      | Polyacetal | AR10P-150AS |
| 5   | Valve guide assembly | Polyacetal | 131329      |

##### [AR20(K)-B to AR60(K)-B]

| No. | Description                        | Material        | Part no.     |             |
|-----|------------------------------------|-----------------|--------------|-------------|
|     |                                    |                 | AR50(K)-B    | AR60(K)-B   |
| 3   | Valve                              | Brass, HNBR     | AR50P-410S   | AR60P-410S  |
| 4   | Diaphragm assembly                 | Weatherable NBR | AR50P-150AS  |             |
| 5   | Valve guide assembly               | Polyacetal      | AR50P-050AS  | AR60P-050AS |
| 6   | Check valve assembly <sup>*1</sup> | —               | AR23KP-020AS |             |

<sup>\*1</sup> Check valve assembly is applicable for a regulator with backflow function (AR20K-B to AR60K-B) only.  
Assembly of a check valve cover, check valve body assembly and 2 mounting screws

## Additional information

|                      |                                                                                  |
