

DECLARATION REGARDING FOOD APPROVAL

Scandinavian Packaging A/S

Bækgårdsvej 56

4140 Borup, Denmark

Scandinavian Packaging A/S hereby confirm that the below listed products are approved for storage of food as powder and tablets according to the product specification.

Our products are produced with Regulation (EC) No. 1935/2004 of 27.th October 2004 as well as amendment concerning materials and articles intended to come into contact with food and Regulation (EC) No. 2023/2006 of 22nd December 2006 and amendment concerning good manufacturing practice for materials and articles intended to come into contact with food.

Test for migration is performed according to the current USP. As there are no "food stimulants" for dry food, migration tests for the determination of specific and overall migration have not been performed.

Please be informed that this declaration is valid for 1 year. A new declaration will not be issued automatically, but upon request.

Borup, 2012
