Welcome to a safe world!

Made in Hillerstorp. Works worldwide

Axelent's head office is in Hillerstorp, Sweden. All product development, production, storage and packaging is carried out here. Our production is high grade automated to manage high volumes and speedy deliveries. Our machines are specially designed to meet our high efficiency, quality and intelligent flow demands. As all our standard products are in stock, we can ship your order the same day as we get it.

Axelent has sales offices in 50 countries and the products are sold worldwide. The company also includes Axelent Wire Tray, who offer a complete cable routing system based on wire trays under the brand name of X-Tray.

The Axelent Group is made up of the three companies Axelent, Axelent Engineering (automation solutions) and Axelent Software. These companies have the joint mission of making Swedish industry competitive through automation, safety, rational procedures, functions and expertise.
